LANGUAGES

English (native)

Spanish (basic)

German (basic)

EDUCATION

Javascript Full-stack Bootcamp
Barcelona Code School

BEng Electrical Power Engineering
Glasgow Caledonian University

EXPERIENCE

JAVASCRIPT FULL-STACK BOOTCAMP

Immersive Javascript Full-stack bootcamp at Barcelona Code School.

E-Commerce App - <https://github.com/ross2711/eCommerce-website>

Created an E-Commerce App as final project

The app allows users to purchase event tickets and an admin area allows event organisers to dynamically add/edit events and upload images. Project requirements included shopping cart, payment facility using Stripe, automatic stock update, user search, sort by price and filter by category.

Skills: Javascript, React, MongoDB, Meteor, Node and Semantic UI.

Budget Tracker App - <https://github.com/ross2711/Budget-Tracker-App>

Created an iOS Budget Tracker App

Skills: Javascript, React, MongoDB, Meteor, Node and Semantic UI.

Weather App - https://github.com/ross2711/Weather_App

Created a Weather App with hourly and 16 day forecast

Skills: Javascript, React, MongoDB, Meteor, Express, Node.js, Open Weather Map API's, Flexbox, HTML5 and CSS.

Webpage Clone - <https://ross2711.github.io/Recreate-webpage/>

Created a webpage clone of the Barcelona Code School from scratch

Skills: Javascript, jQuery, Bootstrap, HTML5 and CSS.

Senior Electrical Designer (Energy & Renewables)

Freelance / September 2015 – September 2017

Schneider is a global specialist in energy management. I provided electrical design support on a freelance basis working with clients including GlaxoSmithKline (GSK) and Scottish & Southern Energy.

Senior Electrical Designer (Oil & Gas)

AMEC Foster Wheeler / May 2011 – Jan 2017

A multinational engineering consultancy & project management company. I was responsible for electrical design drawings, PDMS 3D modeling, site surveys, electrical documentation including cable schedules & materials lists. Site surveys to various refineries and gas plants in Scotland, England and Norway. Clients include BP, TOTAL, Valero, INEOS, Statoil, Nafusah and ZADCO.

Electrical Designer

Balfour Beatty Engineering Services / Sept 2008 – May 2011

Electrical Designer

Babcock International / March 2008 – September 2008

Electrician (Low Voltage / High Voltage)

Babcock International / 2001 – 2008
